Re: June 8th

Just wanted to make you aware of a change to our school calendar due to snow days, fog delays and an emergency that we had this year.

Due to the boiler room issue that we had on March 8th, we will need to add a day to the end of our school year to be compliant with the state. Therefore, we will now have the following changes to our schedule:

Wednesday, June 6th – Full Day of School

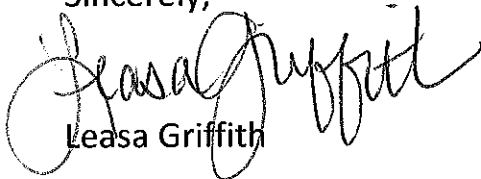

Thursday, June 7th – Half Day of School

Friday, June 8th – Half Day of School

Once again, our new end date for the 2017-2018 school year is June 8th, and there is an updated calendar attached to the back of this letter. We apologize for any inconvenience this may cause, but we are required to adhere to the number of days and hours set for us by the state.

Please contact your child's main office if you have any questions or concerns.

Sincerely,

Leasa Griffith

Interim Superintendent
