INTRODUCTION

The provisions outlined in this handbook are not intended to serve as a contract. In the event an employment contract exists between the district and an individual employee, specific terms expressed in the employment contract are intended to supersede language that may exist in this employee handbook.

The job classifications covered in this handbook include:

- Non-Instructional Aides
- Educational Assistants
- Library Aides
- Bus Drivers
- Custodial
- Custodial/Maintenance
- Cafeteria/Food Service

- Executive Secretary
- Secretarial Employees I

Job titles and job descriptions may change at the discretion of the Superintendent and Board of Education.

The handbook applies to all employees listed in the above positions. The handbook excludes substitutes, temporary employees and student employees.

Years of employment service are determined based on the number of years the employee is regularly employed in any capacity within the district. Work performed as a substitute employee will not be considered when determining years of service.

It is the employee's responsibility to familiarize himself/herself with the Mendon Community Schools Board of Education policy manual and rules established by the administration, which are available for review in the Superintendent's office and on the web at <https://go.boarddocs.com/mi/mend/Board.nsf/Public?open&id=policies>

The contents of this handbook may only be changed by the Mendon Community Schools Board of Education.

The employee Statement of Employment located at the back of the handbook shall be signed on an annual basis.

EXPECTATION

All employees of Mendon Community Schools are expected to report to work when scheduled, report to work on time, perform their duties and responsibilities to the best of their ability, maintain a positive attitude, be willing to be a part of the team by helping out whenever and wherever needed, and always put the students' best interests first!

PROBATIONARY PERIOD

The first one hundred-eighty (180) calendar days worked will be considered a probationary period. Days and time absent during this period will serve to extend the probationary period.

Employees will receive a performance review at the conclusion of six months and 12 months of employment. Successful performance reviews will serve to conclude the probationary period.

Performance reviews will be completed by the employee's supervisor annually after the probationary period.

CRIMINAL BACKGROUND CHECK

All employees are required by law to have a criminal background check performed prior to beginning work for Mendon Community Schools. Additionally, employees should be aware that they are legally obligated to immediately notify the Superintendent if they are charged with a felony as well as certain classifications of misdemeanors.

MODULE TRAINING

On an annual basis, employees must complete their required module training in order to continue working for Mendon Community Schools. At the beginning of each school year, the Superintendent's office will provide a detailed list for each job classification as well as directions for completing the required training modules.

MANDATORY REPORTERS

State Law - A school employee who has reasonable cause to suspect child abuse or child neglect shall make immediately, by telephone or otherwise, an oral report, or cause an oral report to be made, of the suspected child abuse or child neglect to the department of Child Protective Services. Within 72 hours after making an oral report, the reporting person shall file a written report as required by law. When making an initial call to Child Protective Services, the employee making the call should ensure that they have a witness present to verify the call was made.

ATTENDANCE AND REPORTING DAILY ABSENCES

Attendance is a vital factor in maintaining continuity of services to the community. As much advance notice as possible is expected in the event an employee is going to be absent on a given day. When an employee knows in advance that an absence will occur, notice must be given by submitting the proper Absence Reporting Form at least two (2) business days in advance of the expected absence. In the case of an unforeseen absence (i.e. sick day), the employee must notify their immediate supervisor as soon as the employee is aware their absence will occur and complete the Absence Reporting Form immediately upon their return to work.

Regular attendance is essential to the district's success and is among the factors considered when making assignments, filling vacancies, and making decisions regarding continued employment.

The district may require verification from physicians or others as it relates to absences where over-utilization or misuse is suspected, or when other conditions warrant.

LEAVE DAYS

Leave days are credited in advance on July 1st each fiscal year in anticipation of the employee completing an entire work year. Partial years of service as a result of a mid-year hire or termination, unpaid leave of absence, or other reasons will result in a proration of the annually awarded vacation and leave days. Reimbursement to the district will be required if all sick days are used and the employee severs employment, or becomes disabled, prior to the end of the fiscal year. Scheduling of leave days or all types is subject to supervisory approval.
