

DISTRICT IMPROVEMENTS

Our main priorities are to give our students safe and secure facilities and improved learning environments. If approved by voters, this bond would impact every student and school building, while also expanding programs and opportunities for our Hornets community. Here is a brief snapshot of what would be included:

ELEMENTARY SCHOOL

- Upgrade fire alarm, clock and phone systems
- Construct secure entry with main office renovation/addition
- Electrical power upgrades
- Replace outdated classroom sinks, cabinets, flooring and furniture
- Create STEAM classroom for hands-on learning programming (Science, Technology, Engineering, Art, Math)
- Install air conditioning in classrooms
- Renovate library and computer lab into multi-use media center
- Replace gymnasium flooring
- Replace aging lockers

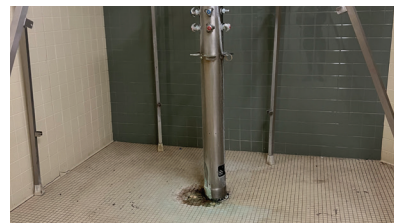

MIDDLE/HIGH SCHOOL

- Upgrade phone system
- Replace exterior windows that do not operate properly for easy egress and do not lock/seal
- Electrical power upgrades
- Replace portions of roof
- Install heating and air conditioning units in classrooms
- Construct restrooms and storage addition near auxiliary gym
- Replace drinking fountains and tile at gymnasium entries
- Improve parking lots to address drainage issues
- Replace select sidewalks
- Upgrade parking lot lighting
- Replace lighting in select areas with LED fixtures
- Replace aging lockers

ATHLETICS/OTHER

- Construct restrooms/storage addition near auxiliary gym
- Replace interior and exterior scoreboards
- Replace basketball hoops
- Upgrade football stadium lighting
- Reconstruct baseball infield
- Install irrigation systems at softball and baseball fields
- Upgrade concessions/field house facility
- Replace athletic facilities' public address and sound systems
- Construct new bus maintenance facility with space for bus maintenance and parts storage
